Coti Global Sensors Hires New Sr. Inside Sales Representative

Coti Global Sensors, an ISO-9001 certified company with one of the industry's largest selections of NTEP and FM approved load cells, recently hired Donna Schiavi as a Sr. Inside Sales Representative. Donna will assist Amy Allen, owner, and Mike Bisanti, president, with product sales.

Donna brings more than twenty years of sales experience to our organization. She joins us from the electronics industry where she served as an Inside Sales and Marketing Representative.

We are very excited for Donna to join Coti Global Sensors and help us continue to deliver the best service to our customers.
